Season of 1908.

SAMPSON.

This young jack will make this season at my farm where I live (the S. H. Baughman farm) ½ mile South of Stanford on the Somerset pike, at \$10 to insure mare coits and \$8 to insure herse coits. I consider Sampson a great breeding jack. All of his last year coits were extra, I showed two of them at Stanford, Lancaster and Danville fairs and won both 1st and 2nd premiums in coit rings of 6 to 10 entries at all three fairs; also won ist in the sweepstake ring at Lancaster, the only fair that gave a sweepstake. Eight of his 1908 coits are now on my farm to show for themselves. I will appreciate any mares sent to him and feel sure you will not regret sending.
